

Maybe in a strange and confused world, the *Catholic Church* looks so backward because everyone else is facing the wrong direction.

~ Brandon Vogt, *Why I Am Catholic*

Strengthen your faith...

With atheism on the rise and millions tossing off religion, why would anyone consider the Catholic Church? Brandon Vogt, a bestselling author and the content director for Bishop Robert Barron's Word on Fire Catholic Ministries, offers us a much-needed dose of confidence and clarity to affirm our faith against an increasingly skeptical culture.

An invitation...

In a world in need of compassion and reason, help others discover several compelling reasons why our faith is true, good, and beautiful. We invite you to HOST a book study for six weeks beginning mid-January 2019.

A mission...

Whether you are ready to take your spiritual life to the next level or want to help reinvigorate our parish, *Why I Am Catholic (and You Should Be Too)* promises to take you on a journey that will lead you to the realization that Catholicism was right about a lot of things, maybe even *everything*.

Group facilitators are needed! Accept this invitation to share the beauty of our faith!
