

KNIGHTS OF COLUMBUS®

Father Steven T. Badin Council 4263 Scholarship Program

The general purpose of the Knights of Columbus Council 4263 scholarship program is to encourage the pursuit of education beyond high school by Catholic youth in our communities. The Council is motivated by the conviction that the future well-being of our Catholic community and our Country depends in large measure upon our young men and women having the opportunity to secure the advantages of a higher education. The Knights are firm believers in the knowledge and skill a college or technical education can deliver as well as the preparedness for our youth to undertake leadership positions in their future communities and to serve others in various fields of endeavor.

The awarding of a scholarship is based upon:

1. Scholastic attainment deemed appropriate for higher education
2. General moral character and tenacity of academic purpose
3. Extracurricular and/or athletic participation within a school environment
4. Extracurricular activities outside of the school environment
5. Volunteer, charitable, philanthropic activity participation
6. Church activity involvement

A total of five (5), one thousand dollar (\$1000.00) non-renewable scholarships will be available in 2018.
