What is "Total Consecration"?

A Total Consecration is a beautiful exercise to increase your spirituality and your ability to truly serve our Lord Jesus Christ. Consecration means to set aside for a sacred purpose. Mary's life was set aside for the sole purpose of serving our Lord. By following her example, we, too, can completely give ourselves to Christ in a way that consecrates us to Him.

Why should we do this?

The consecration helps us grow in holiness and increase our faith, hope, and love. It is a prayerful and focused method of drawing closer to Jesus than ever before.

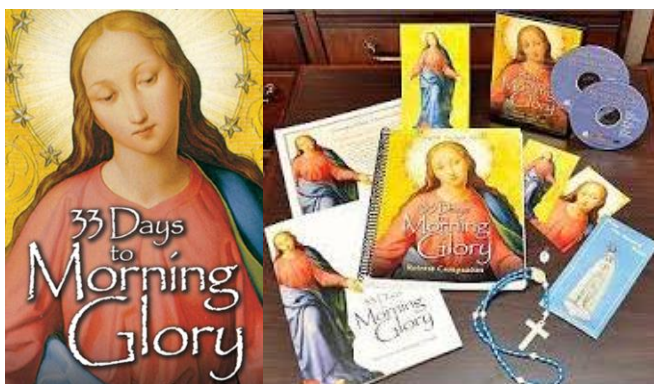

Who is this for?

Consecration is for anyone who is old enough to understand the love of Jesus and Mary. It is easy to grasp and simple enough to put into practice. It is excellent for anyone who does not have a lot of time, yet still desires to grow spiritually.

How can I participate?

We will be forming small groups that will meet weekly or you may work independently. Materials will be available for purchase through the parish.

If you would like more information, contact Sally Flask by email at sflask@stpius.net or by phone at 272-8462 x 125.
